MS EDUCATION ACADEMY

Who is an ideal teacher?

I. P. S

C.I.D

Teaching is reaching!

“

Knowledge
is not measured by
how much is **memorized**,
but rather by how much
it is **acted on.**”

(Imam Shafi)

Good teachers teach from their hearts not just from their text books.

LEADERSHIP

Who are these people?

Politician

Tycoon

cricketer

RESEARCHED SHOCKERS!!

- Astonishingly 85- 90% students did not have a clear idea about their future.
- 80% students had stage fear .
- 55% students were academically excellent but lacked innovative skills.
- 70% students lacked emotional intelligence.
- 20% students were reckless about their studies.
- 17% were notorious .
- 60% students lacked social skills.
- 75-80% students were unorganized and indisciplined.
