## Testimonials

The Blood Donation Drive went on well. But being freshers in this field and also being girls we couldn't reach many places. Like for ex. we wanted to make announcements in Masjids and Gym centers etc. Still Alhamdulillah. At the end of the day Allah sees niyyah rather than quantity. May Allah accept it.

We needed 8 units of blood in Riyadh for 2.5 yrs old little girl and we got it in less than 24 hrs. Then we needed 21000 SAR for her treatment and we got it in less than 6 hrs. Thanks to One India Campaign and Bihar Anjuman- Riyadh, for connecting us to the right sources in time. Thank you very much.

One of our beneficiaries, Wasim (Mumbai) was about to leave his D.Pharma Course due to the lack of support from his father. He had already received a notice from his college for the fee. In such a time, we decided to help him, and after complete verification, contacted One India Campaign, and with their help, got his fees' arrangement done in 2 days Allahamdulillah. We appreciate and endorse OIC's (One India Campaign) Capacity Building Hunt Program.
