‘Moulding a Mighty Chest’, the Cub Pack activity book is compiled by Bulbul In-Charge Mrs. Aameena Ambareen.

I whole heartedly congratulate the team of Scout Masters & Cub Masters, Mr. Abdul Samad Scout In-Charge for keeping up the mission in contributing & educating young minds, through a value based system on the Promise and Law of Scouts & Guides to help build a better world where students mould themselves as affable and empathetic

individuals and play a constructive role in society.

The Cub Pack handbook is aimed to provide activities to be carried out throughout the year in achieving physical, intellectual, social and spiritual potential of the Cubs and make them responsible citizens and members of national & international communities.

The Scouts & Guides movement creates an attitude of staying together, sharing, caring apart from inculcating the collaborative art of living and adapting values of life paving way to be clean courteous further it inculcates leadership qualities among students. The levels in the test card progressively take the Cub to achieve the Golden Arrow Badge.

I place on record my appreciation to all my colleagues who evinced keen interest in preparing this wonderful compendium for Cub Pack of B S & G Dist- II of KSA under the guidance of Chief Commissioner Dr. E. K Mohammed Shaffe.

HOMAGE TO OUR GUIDE CAPTAIN

Although unheard we thank you
For always being there,
You always seemed to care

You meant so much to all of us
you were special and that's no lie
you brightened up the darkest day
and even the greyest sky

Although you are away physically
You're always in our hearts.

.....in loving memory of our dear Guide Captain

Mrs. Syeda Nuzhat Fathima Hashmi
(who died in a fatal car accident.)

THANK YOU
