

# ABUNDANCE CONSCIOUSNESS

K. Noorul Ameen  
AMC 2021

What do you see?

# Scarcity Mindset

- For someone to win, I have to lose.
- Leads to jealousy, kina, negativity.
- Even policy makers are entrapped-  
Chinese one child policy

# Strong faith

- Develop a strong conviction on the infinity of Allah and his treasures
- Focus on Allah being the source
- Get used to becoming happy for other's success, knowing that Allah will also make me successful when I try
- Negativity will disappear

# Stagnant water

# Stagnation leads to stink

- Water
- Inventory
- Money
- Knowledge
- Know-how

# So Share...

- The more you share, the more you will be rewarded
- Giving makes you rich
- Hoarding makes you poor

What do they have in common?

# Your school – an Innovation factory

- Every teacher can contribute and share his/her impact
- Any strategy that enhances your students progress is welcome
- Share these practices within the school and outside

# Solution

Hadith- “None of you will have faith till he wishes for his brother what he likes for himself”

- Develop an Abundance mindset
- Keep improving and innovating. Make Allah and his treasures as your source.

As a leader we must believe in Abundance  
and transfer this Abundance  
Consciousness to our teachers and  
students
