Forevision

5 Corrective Feedback Loop

Response and reporting
Mechanism

Times of India, 30 March 2022

95%

In Gujarat, In Past two Years, there are 399 new private schools whereas only 19 Government schools

Deccan Herald, 03 November 2022

70%

In a country, 7 in 10 new schools in India private; UNESCO report questions quality of public education

Mint, 29 July 2021

More than **79%** colleges are managed by private Players

The Print, 06 September 2021

Number of private universities in India jumps **47%**, from 276 in

2015-16 to 407 in 2019-20

Question to you?

% of Schools, Colleges, Universities managed by us?

Figure it out! Are we not trying? Yes, We are. But we failed at initiation due to lack of understanding of **applicable compliances.**

Failure due to compliance Gaps

- Institutes are avoiding being **audited** sometimes
- **Formal application** of Compliances
- **Underestimating** one or another type of compliances
- Fearing to hire **someone professional** for the job
- Miscalculation of **cost to maintain** compliances
- Exposure of Institutional Academic committee

Team

- Dr. Bilal Sheth
- Prof. (Dr.) Akil Ali Saiyad
- Dr. Yasar Umar
- Dr. Sajid Mogal

Community can never be lead by emotions, It
must be lead by rationality on technical
grounds

Thank You

Everything follows its due process!
