19th AMC

Shaping

Generations

Educating in the age of AI

4th VIRTUAL CONFERENCE

DATE: 18th & 19th November 2023

VENUE: Kochi, Kerala.

POWER OF “WE”

Synergizing Success

- The Vital Role of Collaboration in Education

- Outcomes of MFERD through Collaboration
- Avenues of Collaboration
- Concept of Collaboration from Islamic Perspective

Outcomes of MFERD through Collaboration

- MFERD VISION- “To proclaim the greatness of Almighty till eternity”
- MFERD MISSION - “To nurture humane leaders in all walks of life”
- **Nurture**
- **Humane Leaders**
- **All walk of Life**

Outcomes of MFERD through Collaboration

Teamwork in general exponential benefits and shariah guidance

1. Academic Excellence through research & training
2. Nursery curriculum
3. Primary education aligned with Moral Values
4. Multiple Training Programs:
 - Visionary Management
 - Iconic Principals
 - Super Mom
 - Master trainer
 - Teacher's training

Outcomes of MFERD through Collaboration

Teamwork in general exponential benefits and shariah guidance

- Deeniyat: Ulema Trainings
- Common Curriculum based on Quran and Mutafarriqat
- Shariah Compliance for schools
- Amalgamation of religious teaching with modern education
- Offline internship at different schools.

Outcomes of MFERD through Collaboration

Advantages in Networking in general as well as specific in Schools.

- a) Sharing of best Practices (Continuous Quality Improvement – CQI, Academic ICU, Book Free Day, Assembly Program and Annual Day Celebration – Shariah Compliant, Science Fair, skill lab, etc)
- b) Annual Millat Conferences at National Level
- c) 3000 schools have attended the programs
- d) Delegates from all over India (nearly 25 states represented)
- e) Expert speakers from across the country and a few international ones
- f) Complete school Transformation Program

Outcomes of MFERD through Collaboration

Impact of Networking from 2016 to 2023

	2016	2023
Teachers	2895	22000
School	551	3500
States	14	28

Avenues for collaboration between schools that share similar vision and objectives:

1. Sharing

Ideas, best practices, guidelines and guidance

Sharing of resources – Playground and infrastructure

Sharing of resources – Faculty (Online and Offline)

Sharing of resources – Robotic Lab / Computer lab

SHARING LABS: ROBO, STEM, 3D, D&T, Dig. And Sub. Lab

'Lab on Wheels' Programme by DTU

NDMC school Faculty exchange

DPS-German Student exchange

What is collaboration?

Collaboration is one of the most common concepts of life. It involves direct and open communication, respect for different perspectives and mutual responsibility for problem solving. (*Thomas et al. 2003*).

- Collaboration in Education is not Option nor Need
- Collaboration in Education is Behaviour and Journey

- Definition of Collaboration in the Quran:

أَنْ تَعْتَدُوا وَتَعَاوَنُوا عَلَى الْبِرِّ وَالتَّقْوَىٰ ۖ وَلَا تَعَاوَنُوا عَلَى الْإِثْمِ وَالْعَدْوَانِ
وَاتَّقُوا اللَّهَ إِنَّ اللَّهَ شَدِيدُ الْعِقَابِ ﴿٢﴾

- In the holy book of Quran, the term **collaboration** is equivalent to **Ta~avon** and Muslims are requested to **cooperate with each other** in relation to good actions and meeting God's satisfaction and **are prohibited from performing illegal actions and disobeying God**. (Surah: Almaeda verse 2)

Concept of Collaboration

1. Relationship between human and himself
2. Relationship between humans and other humans
3. Relationship between human and his surrounding environment
4. Relationship between humans and Messenger
5. Relationship between humans and God

1. Equality

2. Help Each-other

3. Moving towards improvement

4. Devotion's

Jazakallah Khair

For you time and patience
