

Shariah Compliance: Overlooking Collective Amnesia within the community

Dr. Imam M. Musa Azam Ibrahim

The lessons that I have learnt traveling

- My journey in India's madrasah system
- Learnings while in USA
- How I implement my learnings today

Our limited understanding of Shariah compliances in Education

- The importance of Rahmah (Mercy)
- Removing our dark glasses

Flaws in existing Curriculum

1. The peril of separating Islamic and modern education - Post Golden Era
2. Why our 100 years old curriculum can't create leaders who can tackle emerging challenges

Revival of Islamic curriculum and its Global implementation

1. Turkish Education System
2. Utilizing talent and limitless resources within the community
3. Youngsters performing beyond our expectations - A great potential
4. Examples of success from taking youngsters under our wings
