IDEA

HURDLES

INTERNAL

School Staff Politics

- Served them as a Family
- Allah made them as a strong team

Survival Problem

- Not able to get land for our school
- Allah changed the mindset of landlord

Registration Problem

- Not able to get school registered
- Allah changed the policy in our favour and got the registration done.

EXTERNAL

Societal Oppose

- Allah turned parents in our support
- Got 2x admissions in next year

Lack of Resources

- High amount of rent
- Multiple unnecessary situations
- Allah turned everything in our favour

Other School Competitors

- Not competitor, taken as team
- Served them with all our plans, info etc

AMC TAKEAWAYS

- A. We should not become a competitor but helper of other organizations.
- B. We should be patient with their mistakes and forgive them.
- C. We should try to develop a very healthy environment for others.
- D. We should share our best practices with others.
- E. We should help them as much as possible.
- F. There should be heart-to-heart connection.
- G. Dealing should be with humility.
- H. Attitude with gratitude

EMOTIONAL

Established

1st team

- Team broke-up
- Allah has given strength to build a team again

Established

2nd team

- Team broke-up again
- Allah has given strength to start up

Started with

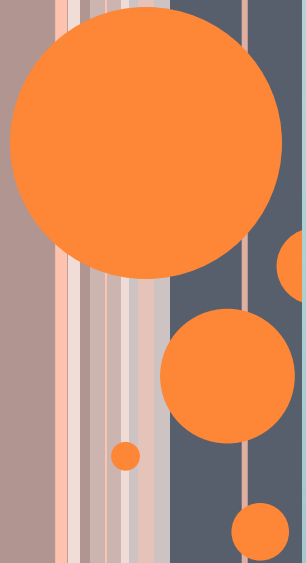

3 members

- Started in a small building
- Core team had only 3 members
- Allah blessed us with a strong team
